

GTAC Support

Who	Does What	When	How	Role /Access
Accenture AO Support	Raising GTAC ticket with Siemens	Any application related issue/queries	Accenture AO Support team refers the following steps to contact Siemens while raising GTAC ticket	Siemens GTAC Account

AO Support team can login to Siemens web support portal to raise GTAC ticket and follow below steps to raise a GTAC ticket.

<https://support.sw.siemens.com/en-US/signin>

1. Click open new support case.

The screenshot shows the Siemens Support Center interface. At the top, there's a navigation bar with 'Support Center', 'Products', 'Downloads', 'Support Cases', and 'Saved'. Below this is a search bar with the text 'Search all Support Cases at your Organization.' and a 'Search' button. At the bottom, there's a button labeled 'Open New Support Case'.

2. In product section choose sub-product as per requirement (Ex: Work items, Documents etc.) and sub-product version 22R2 (as per latest version).

The screenshot shows the 'Product' section of the Siemens Support Center. It has two dropdown menus: 'Product' (set to 'Polarion') and 'Version' (set to 'Polarion 22 R2'). Below these are two more dropdown menus: 'Sub-Product/Component' (set to 'Choose Component') and 'Sub-Product/Component Version' (set to 'Choose Component Version').

3. In Environment section choose OS and OS version as per your system.

The screenshot shows the 'Environment' section of the Siemens Support Center. It has two dropdown menus: 'Operating System' (set to 'Windows') and 'OS Version' (set to '11').

4. In Issue keywords section give title, description and steps to reproduce.

The screenshot shows the 'Issue Keywords' section of the Siemens Support Center. It has a text input field for 'Support Case Title' (containing 'search') and a text input field for 'Issue Summary & Steps to Reproduce' (containing 'Normal').

5. In additional details section, case priority usually we will raise medium priority unless the issue is too critical and blocking the process.

The screenshot shows the 'Additional Details' section of the Siemens Support Center. It has three radio buttons for 'Issue Type': 'General/Product Usage' (selected), 'Licensing', and 'Installation'. Below these are three radio buttons for 'Case Priority': 'Critical', 'High', 'Medium' (selected), and 'Low'. At the bottom, there's a checkbox for 'Country-Based Data Processing Restrictions' (set to 'EU-GDPR').

6. External notifications, give all the emails to whom this case details should be notified.

The screenshot shows the 'External Notifications' section of the Siemens Support Center. It has a text input field for 'Enter e-mails' (containing 'Enter E-mail'). Below this is a note: 'If you'd like to add Watchers, existing Support Center users can be added upon completion of this step.'

7. In attach a file section, check the check box and choose the country from where you are uploading attachments.

The screenshot shows the 'Attach a File' section of the Siemens Support Center. It has a checkbox labeled 'I wish to attach a file(s) to this case. All data will be treated as confidential.' (checked). Below this is a text input field for 'What country are you uploading from?' (set to 'INDIA').

8. Data classification is always **commercially unrestricted** (for our issues)

The screenshot shows a web form with the following elements:

- A yellow header bar with the text "Data Classification".
- A dropdown menu with "Commercial Unrestricted" selected and a blue checkmark icon.
- A link labeled "Data Classification" below the dropdown.
- A checkbox labeled "I agree there are no legal restrictions preventing export of data" which is checked. To its right is a link "View agreement".
- A text label "I request that Siemens does not export it to the following countries".
- A dropdown menu with "Choose One or More Countries" selected and a blue checkmark icon.
- A label "Attach File(s)".
- A large dashed box containing a blue button labeled "Select Files" and the text "Drop files here" with a cloud upload icon.

10. Lastly click open this support case.

NOTE:

AO Support team can reach out to Siemens Global Support during critical issue over the phone. (Usually, critical issues are raised by Michael Baunach/Miklos).

Process of Phone Support from India:

1. Dial 1 800 102 4822 or +91 20 40282100 (Monday to Friday on local business hours)
2. Select option 1 for creating IR.
3. Enter the SOLD-TO-ID# (i.e., 0001506450#)
4. Press 7 for Polaron
5. Press 6 now for Polaron
6. Now you will be connected to Executive to raise IR.

Note: Should have SOLD-TO-ID during the first-time registration. (Reach out to Michael Baunach for SOLD-TO-ID)
